Ask Lori Kokoski if she would consider doing the investigation. I would be available to answer any questions she would have.

Good Morning,

I asked Rick to complete the administrative investigation for Chief McCann regarding Aaron Knapp's allegations. Rick reminded me that he is currently working as a part time officer and cannot complete the investigation as requested. Rick also stated that a "fact checking/investigation" could possibly be conducted by the Lorain Co. Prosecutor's office and/or the Sheriff's Dept. We also discussed possibly involving an outside entity (Margaret O'Bryon's law firm?). Let me know your thoughts on how we can move forward with this matter.
