

Adult or Vulnerable Person Abuse

313.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain persons who may be more vulnerable than others. This policy also addresses mandatory notification for Lorain Police Department members as required by law.

313.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

Vulnerable person – A person of any age with a developmental disability.

313.2 POLICY

The Lorain Police Department will investigate all reported incidents of alleged adult or vulnerable person abuse and ensure proper reporting and notification as required by law.

313.3 MANDATORY NOTIFICATION

Members of the Lorain Police Department shall notify the county department of job and family services (CDJFS) when there is reasonable cause to believe that an adult age 60 years or older is being abused, neglected or exploited, or is in a condition that is the result of abuse, neglect or exploitation (ORC § 5101.61). Regardless of the person's age, if the member reasonably believes that the person has a developmental disability and has suffered, or faces a substantial risk of suffering, abuse or neglect, the county board of developmental disabilities shall also be notified (ORC § 5123.61).

313.3.1 NOTIFICATION PROCEDURE

Notification may be made verbally or in writing and shall contain the basis for the member's belief that the person has been abused, along with the following information, if known (ORC § 5101.61; ORC § 5123.61):

- (a) The name, address, and telephone numbers of the following individuals:
 1. Victim
 2. The victim's caregiver
 3. If known, the alleged perpetrator (if different than the caregiver)
 4. Any other known household members or collateral sources
- (b) The approximate age of the victim, along with the nature and extent of the alleged abuse, neglect, or exploitation
- (c) The date and time the allegation of abuse was received by this department

313.4 QUALIFIED INVESTIGATORS

Qualified investigators should be available to investigate cases of adult or vulnerable person abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult or vulnerable person abuse investigations.
- (c) Present all cases of alleged adult or vulnerable person abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

313.5 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult or vulnerable person abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult or vulnerable person abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult or vulnerable person abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Adult or Vulnerable Person Abuse

Any unexplained death of an adult or vulnerable person who was in the care of a guardian or caretaker should be considered as potential adult or vulnerable person abuse and investigated similarly.

313.6 PROTECTIVE CUSTODY

Before taking a victim into protective custody when facts indicate the adult or vulnerable person may not be able to care for him/herself, the officer should make reasonable attempts to contact CDJFS or the county board of developmental disabilities, as appropriate under the circumstances. Generally, removal of a victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking a victim into protective custody, the officer should take reasonable steps to deliver the adult or vulnerable person to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the person is delivered to CDJFS or the county board of developmental disabilities, as appropriate under the circumstances.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the victim into protective custody.

When victims are under state control, have a state-appointed guardian or other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the victim to either remove the victim from a dangerous environment (protective custody) or restrain a person from contact with the victim.

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

313.7.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain a victim involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:

Lorain Police Department

Policy Manual

Adult or Vulnerable Person Abuse

1. A reasonable belief that medical issues of the victim need to be addressed immediately.
 2. A reasonable belief that the victim is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is a family member or guardian and there is reason to believe the victim may be in continued danger.
- (b) A court order or warrant has been issued.

313.8 MEDICAL EXAMINATIONS

When an adult or vulnerable person abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, guardian, agency or entity having legal custody of the victim. The officer should also arrange for the victim's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the victim for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

313.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of a victim who has been exposed to the manufacturing, trafficking or use of narcotics.

313.9.1 SUPERVISOR RESPONSIBILITIES

The Criminal Investigations supervisor should:

- (a) Work with professionals from the appropriate agencies, including CDJFS or the county board of developmental disabilities, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are victims endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Criminal Investigations supervisor that he/she has responded to a drug lab or other narcotics crime scene where a victim is present or where evidence indicates that a victim lives there.
- (c) Develop a report format or checklist for use when officers respond to drug labs or other narcotics crime scenes. The checklist will help officers document the environmental, medical, social and other conditions that may affect the victim.

313.9.2 OFFICER RESPONSIBILITIES

Officers responding to a drug lab or other narcotics crime scene where an abuse victim is present or where there is evidence that a victim lives there should:

- (a) Document the environmental, medical, social and other conditions of the victim, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Criminal Investigations supervisor so an interagency response can begin.

313.10 STATE MANDATES AND OTHER RELEVANT LAWS

Ohio requires that all investigations involving abuse of an adult or vulnerable person be conducted jointly between department members and the appropriate social service agency.

313.10.1 RECORDS AND INFORMATION CENTER RESPONSIBILITIES

The Records and Information Center is responsible for:

- (a) Providing a copy of the adult or vulnerable person abuse report to CDJFS or the county board of developmental disabilities as required by law.
- (b) Retaining the original adult or vulnerable person abuse report with the initial case file.

313.10.2 RELEASE OF REPORTS

Information related to incidents of adult or vulnerable person abuse or suspected adult or vulnerable person abuse shall be confidential and are not considered a public record (ORC § 5101.61; ORC § 5123.61).

313.11 TRAINING

The Department should provide training on best practices in adult or vulnerable person abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults or vulnerable persons and their families.
- (d) Availability of specialized forensic medical exams.
- (e) Cultural competence (including interpretive services) related to adult or vulnerable person abuse investigations.
- (f) Availability of victim advocates or other support.
