Greg:

I have attached a PDF document to this email. The information contained in the PDF is NOT public record as it contains phone numbers that belong to other police officers, investigators, city attorneys, prosecutors, APL employees, witnesses and others who were part of the larger investigation that went international concerning the “dog” incident as you referred to it.

I am only submitting this information from the time I was “ on vacation” in Florida do to the incident that took place while I was in transit in the air. The dates are Sunday, July 2, 2023 through Tuesday, July 11, 2023 at 0800 hours.

It is my intent to take civil action against the Lorain Auditor when this is over. You are put on notice to maintain all investigation materials, documents, notes, recordings, interviews, statements and any information you obtained during this process, to include any and all information obtained from the independent audit company conducting the audit.

I also need the contact information for the group or company who is conducting the audit in the City of Lorain so I can advise them the same information.

Thank you.

Chief Jim McCann
